Dear Ann,

We've been friends for a long time & I hope that we will be for a long time. Last year I guess we had the best times, but this year has been fun too. Remember the Teen-Dates? We never did read that, or did we? Our pajama parties were fun too, Jo's & [illegible] especially. We were going to walk to Jo's from the show but we didn't quite get there. At Betty's I came late & when I got there you were all so mad at everything. We got mad too because all those boys came. When we played cards & [illegible] & Jo put salt in the beds. All the parties at Martin's have been fun, but of course we always have fun when we get together. Ann, I hope that we will always be friends. Always stay as sweet as you are now.

Love always

DEDICATION

Outstanding examples of dedication are revealed to us constantly by members of the faculty of Belmont High School. Two of our teachers have shown vividly the extent of their devotion to us students. To these two we, the senior class of 1953, dedicate, with great humility, our Clarion.

To Miss Esther Kee, whose spirit of service is so evident, we say a sincere "Thank you." The help which you willingly gave us in the library will never be forgotten.

To Miss Margaret Blair, whose goal is always to train high school girls to be efficient homemakers, we also say "Thank you." The arts which you have taught will enrich the lives of generations to come.

Composed of the letter girls, cheerleaders, and majorettes, the Sponsors Club has as its primary purpose the decorating for athletic activities and pushing any drive, event or social pertaining to anything in athletics.

The feature attraction for the year 52-53 was the decoration and planning of the homecoming activities. In conjunction with the band director, Mr. Harry Hall, the Sponsors Club presented one of the most successful homecoming programs in the history of Belmont High School.

HIGHLIGHTS

The Red Raiders, 1952 edition, met their first foe on September 12. Hickory sloshed through the Davis Park mud for the lone touchdown and won, 6 to 0. For the second week straight the Belmont offense didn't click, and Morganton nosed out the hometown boys 7 to 0.

Nothing makes Belmont feel better than to beat their "friends across the river," Cramerton. The Eagles found themselves with no score at all when the game ended, while the Raiders had piled up 27. The Raiders know that a kickoff is a free ball—but they lost a game while learning. As a result of this freak mistake, Belmont lost to Rutherfordton-Spindale, 18-14. Remember that second half at Shelby? In spite of the vicious second half uprising the Shelby lead was too big and the Raiders had to go home with a 21 to 6 loss.

Belmont broke into the conference win column with a solid 19 to 6 win over Lincolnton.

Like a wide open game? The Lenoir game was just that, but the Raiders ended up behind, 38 to 12. Everything Belmont did at Forest City was wrong, and Forest City piled up a 25 to 7 victory.

Homecoming—against Newton-Conover, the only team owning a victory over Lenoir! The Raiders, inspired by Captain Dean McCorn's halftime performance, roared from behind to score a stunning 19 to 14 upset.

The "City boys" from Winston-Salem Gray came to Belmont with a record that showed only one loss, and that to Reynolds, the State AAA Champions. Forgetting completely press predictions of the outcome, the Raiders stomped the Winston boys, 20 to 0. This resounding defeat of a highly regarded ball club provided a fitting climax for the Red Raiders and won for them the title of "Upset Champions of 1952."

BASEBALL

The spring of 1952 saw the Belmont Baseball Team begin another rough Western Conference schedule. As the baseball fans of the state know, the league is as rough as they come.

It was a credit both to the team and its coaches, Mr. Gerald Cortner and Mr. Wrather Johnson, for them to come up with a 4-6 season's record. With this year of experience behind them, the team is looking forward to an even more successful season in '53.

~~Dear~~ Ann,

It has been a pleasure knowing you these ~~you~~ years. You are a very nice, sweet and attractive girl. I have enjoyed eating lunch and playing softball with you. I hope we make the softball team, so that we can be together and have lots more fun.

Ann, you are a very good basketball player and I hope that you will go out next year for the varsity. I am sure you will make it. If you do, you better beat Crawford for me because I will be watching the game. I am sure that you can do it.

I am sure you will enjoy being in B. H. S. although it is kindly strict. I hope that you will remember me next year in school and when you are playing basketball. Ann I have had a swell time and hope you will succeed in every thing you try to do.

Well, I have only known you really well for just one year. But all really pretty, sweet, and friendly. I have really enjoyed [illegible] softball, eating lunch & all those things with you. Never forget me when you are playing basketball. You all are a very good player and should be playing first string next year. Indeed by all these good points you should climb to great heights. Never change from the sweet, considerate person you are now & you are sure to be a successful person. You and Everette surely do make a cute couple and I wish you the best of everything. Don't ever become ashamed much in high school, do keep up the good work. Also hurry and write for letters right year because they need someone good-looking like you to replace a pretty girl like me. Dear Ann,

I don't really have been a happy nine years. Remember our "family" in the fourth grade. Then the eight grade of course was one of the best years ever. The parties and Sunday afternoons were two of the highlights. Then the car and the basketball ... I will always remember it. All the planning and worrying we did ... seems funny now as we look back on it but we were really serious then. Then the eight grade square dance. Remember the words "Farewell to Central"?

You are a wonderful friend, Ann, and I'll always remember you that way. I'm sure always I wish you the best of luck in your trips you go in life.

Jake,

Nancy had the first basketball tournament ... Remember how she didn't mean ... were sweats ... so glad we were together in our ... years and this year ... I hope we will always be together. If ever, Ann, you need me just call on me ... for I will want to do the same toward you. Remember me always as a friend. I love you as everyone else does. Your wonderful personality will get you far in life.

P. S. We have really had ... year, too. The basketball ... were more fun ... we would. Just ... anything like ... playing ... were together in ... rooms last year ... I hope we will ... her. If ever, Ann, ... just call on me ... to do the same ... Remember me always as a ... friend. I love you as everyone ... else does. Your wonderful personality will get you far in life.

Love,
Nancy.

Reserved for Truett

Dear Ann,

I really don't know how to express the way I feel in words. I shall never forget all the good times we had in the eight grade & down at the park last summer. Remember all the good times we have had double-dating with Jack & Arnold remember the time we went on a hayride down at South Point. We really had fun. Don't forget all the times we went to Auten's after football games. I hope next year we will have even more fun than we have had this past year. Remember how bashful I was when I first started going with you. (I still am.) Ann, I have really enjoyed dating you. You are one of the nicest girls I have ever known. You have a personality that will cheer anyone up, especially me. I will alway treasure your friendship as one of my best. Always remember me if you ever need any help in anything.

Love always,

Truett Lineberger
